# Glossop Primary School

Our shared vision is of a school that enables each student to achieve their potential within a learning environment that is safe, positive, respectful, inclusive and welcoming. Our vision is to provide a comprehensive, rich and current curriculum in all the required areas. We will work collaboratively to ensure the best possible learning outcomes for our students. This will be achieved by establishing and fostering links with parents and beyond our school to meet the challenges.

## Australia's Biggest Morning Tea

On Thursday 25th of May the S.R.C., Teachers and a few helpers set up the Biggest Morning Tea on the oval and everyone gave a donation for cancer council and a plate of food to share with the School. Most people who came to school dressed up and it was fun looking at what everyone thought of. About 20 parents came to support Australia's Biggest Morning Tea. It was great to see everybody getting along and smiling when we were eating and sharing all of the food even the parents were talking with each other and laughing with joy. The good thing about this year's Biggest Morning Tea is that there was a lot of food to share and there was nobody fighting over the last piece of food.

On behalf of the S.R.C. we thank everybody for coming and for your donation and the place of food for our 2017 Australia's Biggest Morning Tea.

## R/1 Possum Magic

This term, in the R/1 class we have been reading the book *Possum Magic*. We have been doing a variety of activities including, cooking, art, writing, researching and having engaging discussions about the animals, foods, and places in Australia. Students have been thoroughly enjoying learning about Hush (possum) and her adventures around Australia.
