

Our shared vision is of a school that enables each student to achieve their potential within a learning environment that is safe, positive, respectful, inclusive and welcoming. Our vision is to provide a comprehensive, rich and current curriculum in all the required areas. We will work collaboratively to ensure the best possible learning outcomes for our students. This will be achieved by establishing and fostering links with parents and beyond our school to meet the challenges.

HARMONY DAY

Our school will celebrate Harmony Day on Wednesday 21st March, we ask that everyone wears something orange.

Harmony Day is a day of cultural respect for everyone who calls Australia home from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.
