April 30 — July 6

Term 3

July 23 — September 28

Term 4

October 15 — December 14

Upcoming Events

Monday 21 May—Pupil Free Day

Thursday 31 May—Biggest Morning Tea

WELCOME to new student **Leah Herring**.

We welcome Leah to our year 7 class, who has joined us from New South Wales.

CONGRATULATIONS again to Dillon Awramov who has recently made it into the West Adelaide Football Club Junior Development Squad.

Dillon travelled to Adelaide for a week in the last holidays to train with 80 other players and from this amount 22 were chosen to make up the squad.

As a result he will now attend another week intensive training in Adelaide during the July holidays as well as playing two games of football.

WELL DONE DILLON!

REMINDER—STUDENT FREE DAY

Monday May 21 for all staff in the Berri –Barmera Partnership to attend ‘Visible Learning’ Professional development.

NAPLAN TESTING

Congratulations on the hard work of all our year 3, 5 and 7 students with their writing, language conventions, reading and numeracy tests this week. The tests were completed on line this year, as we were one of 187 schools across Australia to do this. Today our students completed their last test. Thank you for supporting attendance. With online testing, if the student is absent they still complete the test as it is re – scheduled when they attend.

WANTED—any clean recyclable items suitable for our pre school including cardboard rolls from glad wrap etc would be most appreciated.

SAPSASA Hockey Carnival

Last Friday our yr 6 and 7 class competed in the carnival at Glassey Park.

We had 12 players, 5 girls and 7 boys in our mixed team. None of these students are hockey players BUT, we combined brilliantly as a team by supporting each other with each player being committed to giving a **PERSONAL BEST**.

Our team won two of our five games and were very competitive in the other two games.

GO GLOSSOP!

Habits of Mind ~ Gather the data
~ Strive for accuracy and precision
~ Working interdependently

Our Preschool and JP Unit have five chickens who have settled in well to their new home.

At the moment the chickens are not laying eggs but when they are we will be selling these within the school community.

This term, Dre is the Chook Captain and Traeh is the Vice Captain and it is their responsibility to let the chooks out and put them away at the end of the day when the Preschool is closed.

The chickens love to welcome visitors as pictured below.

iPlay Therapy
