On Wednesday our school participated in the National Simultaneous Storytime (NSS) that is an annual campaign that aims to encourage more young Australians to read and enjoy books. Now in its 18th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes and addresses key learning areas of the National Curriculum for Foundation to year 6.

Every year as part of Library and Information Week a picture book, written and illustrated by an Australian author and illustrator is read simultaneously in libraries, schools, preschools, childcare centres, family homes, bookshops and many other places around the country. NSS 2018's book is *'Hickory Dickory Dash'* written by Tony Wilson, illustrated by Laura Wood and published by Scholastic.

By facilitating National Simultaneous Storytime we aim to:

- ◆ Promote the value of reading and literacy
- ◆ Promote the value of fun of books
- ◆ Promote an Australian writer and publisher
- ◆ Promote storytime activities in public libraries and communities around the country
- ◆ Provide opportunities to involve parents, grandparents, the media and others to participate in and enjoy the occasion

SAPSASA

Hockey Carnival at Glassey Park

Congratulations to the
Glossop Primary and
Community School stu-
dents who participated in
the Carnival .

Hi everyone

I hope you are keeping warm! The seasons seem to change so quickly. As the weather gets cooler, we often start to eat more to keep our bodies warm and for comfort. It's still important to make good choices for our health. I know how much we all love a treat. Recently I went to a friend's house and she had made chocolate brownies and sweetened them using pureed apples! They were delicious 

I have been looking into a few recipes recently for treats that taste great, but don't have a lot of added sugar or fats. Here is one you could try, that would be great for lunch boxes;

NO BAKE COCONUT AND DATE BALLS

Ingredients

3 cups desiccated coconut

2 cups (200g) pitted dates

Method

- 1. Place 2 cups coconut and dates into a blender**
- 2. Process on high for 3-4 minutes (pause to scrape down sides)**
- 3. Remove from processor and roll teaspoon-sized balls. Roll balls in remaining 1 cup coconut**
- 4. Pack in portions for snacks, to put in lunch boxes and keep on hand to satisfy a sweet tooth in a healthy way**

If you have any delicious and healthy recipes to share, please come and see me. I would love to hear about them.

Best wishes for a wonderful weekend
