SIZZLE

Dear Parents and Caregivers

From next week I will be on leave to have orthopaedic surgery. The recovery schedule will be until the end of Term 3.

Kelly Freer has won the position of Acting Principal for the next four weeks with Sarah van Staden as yr 3—5 class teacher.

Thank you in anticipation of your support to the school and Kelly and Sarah in my absence.

I look forward to a full recovery and will be back Term 4.

Sue Andrew

PRINCIPAL

LOST PROPERTY

If you are missing any of your child/ren’s clothing please feel free to check our Lost Property box in the office.

At the end of the term all remaining clothing will be washed and sent to the second hand shop

Thank You

for contributing to our fundraisers this term:

Raising \$176.00 for

\$62.00 for Tuck Days

The Very Cranky Bear

On Tuesday 28 August the F-2 class travelled to the Chaffey Theatre to watch the Patch Theatre presentation of 'The Very Cranky Bear - a story book written by Nick Bland.

The story was told through song, bright lights and simple but effective costumes, and we all thoroughly enjoyed the performance.

PREMIER'S
READING
Challenge

Just a reminder, there is only one more week
until the
2018 Premier's Reading Challenge
closes next Friday 7 September .

Tag Rugby Report

Last Friday Glossop Primary students participated in the Tag Rugby Championship Competition held at Berri Oval. Due to a lack of players we combined with Cobdogla Primary students in both the boys and girls teams.

We could not have been prouder of our teams performance, sportsmanship and behaviour. Both the teams were competitive with the boys going through the Round Robin undefeated and played off in the Grand Final against Monash who were the eventual winners.

Our girls team made it to the consolation final for third place and were gracious in defeat.

Overall it was a great day with a wonderful outcome.

CONGRATULATIONS to all our players and thank you to the parents who came to support their teams, much appreciated.

Dana Oates and Helen Brand

Asthma Week 1 - 7 September

Busting asthma myths. Get the facts.

This Asthma Week, we're busting the myths by stating the facts.

Asthma is a condition that affects most Australians, two-thirds in fact! Despite this, there are many misconceptions about this chronic disease.

We want everyone in the community to know about asthma, good asthma control and prevention.

We want everyone in the community to be empowered to take steps to prevent and treat their asthma and to educate others.

But we can't do it alone.

This Asthma Week, *Busting Asthma Myths* focuses on five facts about asthma along with new data on Australians perceptions and misperceptions about asthma.
