Previous Week

The R/1/2 students have been working with Erin to create dioramas of habitats for their clay animal. This is in preparation for their visit to the Adelaide Zoo later this term. They will continue to paint them colourfully and add paper, card and other craft materials to make their dioramas look realistic.

Artist Paul Klee's famous masterpiece 'Senecio'

## RECEPTION TO YEAR 7 ART

Reception to year 7 have been looking at the artist Paul Klee. The year 3/5 students are creating puppets out of modroc based on Klee's puppets he made for his son. The R to 5 students have looked at his painting 'Senecio' and created their own art work which is displayed in the front office. Students have been further developing their skills and are in the process of creating their own unique sculpture based on the 'Senecio' painting.
