Thank you and well done Kelly for your leadership last term.
Thank you for the best wishes in my absence.

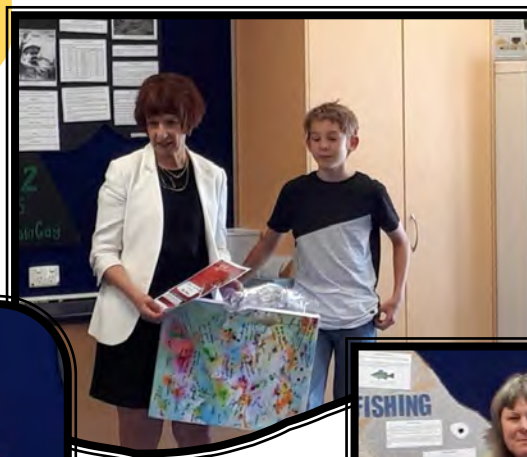

Today is World Teacher's Day to acknowledge the dedication of teachers in our school. Teachers have a significant responsibility for preparing young people to lead successful and productive lives. Our teachers at our school strive to have every child in our school to be successful learners, both academically and socially.

Don't forget you are welcome to attend the Small School Sports Day at Cobdogla Oval next Friday 2 November.

Our school is a community facility, however it needs to be used respectfully. Unfortunately during the school holidays local children played unsafely on the grounds and some vandalism occurred. Please note that all children need to be supervised by adults during out of school hours. The Department of Education require safety at all times and vandalism will result in police action.
