Learner Dispositions

Persistent

I don't give up and I keep trying different strategies when I am faced with a challenge.

Independent

I take responsibility for my learning by being organised and managing myself.

Curious

I take an interest, ask questions and enquire

Reflective

I know what I am learning. I accept feedback and continuously evaluate and analyse my learning.

Risk Taking

I have the confidence to try new things.

Cooperative

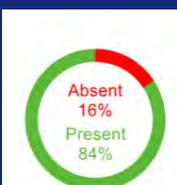

We can work together as a team.

Dear Parents, Caregivers and Friends,

This year is flying by, the end of next week we are already halfway through what has already been a busy and exciting term. I am excited to be in my new role for the next 7 weeks. I look forward to working with students, staff and parents to continue our work building a positive learning environment within the school and community.

It has been fantastic to see students engaged in their electives on Thursday afternoons. I have witnessed some great creative skills in the Lego Master group. Tennis on Wednesdays has been a hit with students, showing their skills and team work in a variety of activities.

We had a Nature Play Incursion today with K-2 working with loose parts to play and connecting with nature. The 3-7 students were involved in crushing up various pigments to make their own paint then create a canvas.

Our Parent –Teacher interviews were held last week and it was pleasing to see so many parents come in and discuss their child's learning with teachers. The feedback from teachers and parents has been really positive and proves why this process is imperative in keeping the link between school and home.

Let's continue to work hard to ensure all students are at school on a daily basis.

Remember the breakfast club is open every morning and is a nice warm place for students to sit and have something to eat or a nice warm milo to start their day.

Kind regards,
Kelly Freer
Acting Principal

PLAYGROUP

On Friday we held our playgroup exploring in nature play. Friday was a very cold day which unfortunately kept most families home.

This week we are looking for Green Sheep, come along for a fun morning from 9.00am – 10.45am.

ELECTIVE GROUPS - GARDENING GURU

The Gardening Guru group enjoyed planting fruit trees recently. The trees were kindly donated by Bunnings and the students have named them :- Perry the Pear Tree, Jonathan the Apple Tree, Granny the Apple Tree and Andy the Mandarin Tree.

The group are responsible for watering and taking care of the trees.

TUCK DAY

Last Friday, our students enjoyed lasagne and hot milo which was very welcome on such a cold day. Our students ate their lunch together in the Craft Room. Thank you to everyone who supported this – we raised \$54.50 for the SRC.

PRIMARY SCHOOL PRINCIPAL'S DAY

Our students thanked Mrs Schwartzkopff for the valuable work she does every day, all year round, and presented her with handmade cards.

Mrs Schwartzkopff also baked delicious cupcakes for the students. Thank you Mrs S.

COOKING SESSION WITH MRS SCHWARTZKOPFF

As part of our reward program, some students used their Glossy shop tokens to have a cooking session with Mrs Schwartzkopff.

SCHOOL MURAL

Our school is starting to look a lot brighter thanks to the work of Scott Rathman. Scott has an amazing job and is fortunate to travel throughout Australia painting murals.

Scott started working on our mural on Monday and the photos below show the progress within two days. Scott worked with our students back in Term 2 when each student designed their own artwork with the meaning of 'right here' and how they interpreted the whole school coming together at this point in time. Scott grew up in the Riverland and he has a strong connection with our region, so he had an immediate connection to our community.

LIBRARY NEWS

Have you been into our Library lately? It is looking fantastic. We have some new furniture and we have rearranged the shelving in the Non-Fiction section. This has opened up the space and gives us lots more room.

A timely reminder that the Premiers' Reading Challenge finishes in Week 7 on September 4. So you have three weeks to complete your 12 books. Congratulations to the Navigators who finished the challenge last term. When you have finished, please drop your completed Challenge sheet to me in the Library. If you need any more forms let me know.

Book Week will happen in Week 2 of Term 4 this year and the theme is Curious Creatures and Wild Minds. The CBCA book competition will also happen at this time. The books in the competition will be displayed in the Library next week. Please come in and have a read and enter our competition to see if we can pick the same winning book as the judges.

Mrs. Casey

ATTENDANCE

The Department for Education has introduced a strong new approach to school attendance, including family conferencing to address chronic non-attendance (10 or more days per term) and increased penalties for non-attendance.

Parents/carers must provide a reason for a child's non-attendance at school, or non-participation in an approved learning program, within 5 days of the child's failure to attend, for example, the child was sick, or there was a danger of the child being affected by an infectious or contagious disease. Principals of government and non-government schools, and heads of approved learning programs are required to notify the Chief Executive if a child fails to attend school or participate in an approved learning program without reasonable excuse, for 10 or more days in a school term.

The maximum penalties for a parent or carer who fails to enrol their child in a school or an approved learning program, or fails to take reasonable steps to ensure their child attends school or participates in an approved learning program, has increased from \$500 to \$5,000.

BENEFITS OF GOING TO SCHOOL EVERY DAY

more likely to stay on track and progress academically

opportunities to take part in social and learning activities organised by the school

more likely to have stronger social and peer connections

learning positive life skills

safe in the care of school staff with access to support and services when needed

will reach their full potential and have a range of opportunities in life

BIRTHDAYS

Congratulations to the following students who are having a birthday this month:-

Enrol now for preschool in 2021 at...

GLOSSOP COMMUNITY PRESCHOOL

Going to preschool helps your child to learn new things, make friends and develop confidence. Children who turn 4 before 1 May 2021 can start preschool at the beginning of next year.

We would love to welcome you to our learning family!

Glossop Primary Community Preschool **PLAYGROUP!**

WE ARE BACK
TERM 3 FRIDAY MORNINGS
9.00am to 10:45am

Come along for a free fun filled morning of making, singing songs, reading books and having a picnic with friends.

All you need to bring is your imagination, piece of fruit, water bottle and a hat. Each week we have a different theme for the children to explore and enjoy.
