Learner Dispositions

Persistent

I don't give up and I keep trying different strategies when I am faced with a challenge.

Independent

I take responsibility for my learning by being organised and managing myself.

Curious

I take an interest, ask questions and enquire

Reflective

I know what I am learning. I accept feedback and continuously evaluate and analyse my learning.

Risk Taking

I have the confidence to try new things.

Cooperative

We can work together as a team.

Dear Parents, Caregivers and Friends,

It has been great to listen to the feedback from students in regards to our electives on Thursday afternoons. This week students will move to their second round of electives which will take them to the end of the term. This round students have been able to select from Garden Guru, Disco Dancer, Electrify Me, Lego Masters and Craft Corner.

A small group of students participated in the Hot Shots Tennis carnival last Friday. Although the weather was not great the students all tried hard and showed good sportsmanship. Thanks to Mr Papametis for his organisation of this and Mr Garoufalidis for helping supervise on the day. Students will continue to have tennis lessons through Hot Shots Tennis until week 8.

This Thursday, two students from our school will travel to Loxton to participate in the Riverland Primary School's Choir Performance at the Loxton Lutheran School. Due to COVID-19 no audience is allowed, however, there will be a video of the performance available.

Premiers Reading Challenge finishes in 4 weeks, we usually have a high number of students complete this however the numbers have been a lot less this year. Can you remind your children to fill in their Premiers Reading sheet and hand in to Mrs Casey. If they need a new one, Mrs Casey has them available.

Next week all students across the school will participate in PAT testing. This testing provides information about students' skills and understandings in a range of key areas. It is used to assess and monitor student's growth over time. It is one of many tools we use across our school to track and monitor students.

This week is SSO week, I want to personally thank all the SSO's we have at our school. They work hard on a daily basis showing care, compassion and a love for their job. All the teachers and students greatly appreciate everything they do to make our school a better place to learn and work.

Kind Regards

Kelly Freer

Acting Principal

Our Learning

Empowered learners. Individual growth.

NAVIGATORS

The Navigators have been engaging in lots of collaborative learning. By working together we can help each other solve problems and share our knowledge with each other.

YEARS 3 – 7 WITH MR PAPAMETIS

The Greek walls are starting to fill up.

Students have been writing their names in Greek as well as doing information cards on the various Greek gods.

ELECTIVE GROUPS - GIRLWISE

Erin has been working with a group of girls as one of the electives on Thursday afternoons. They have covered a range of topics such as friendship, self-esteem, bullying and positive mental health. One of the activities they did was to paint on a canvas what is important to them. They did a great job!

CADETS - SCIENCE WEEK IN THE PRESCHOOL

Last week in Science Week we mixed cornflour, water and food colouring together to make paint. The children painted some very colourful pictures.

Wow..the mixture fizzed up and out of the tubes and made rainbow colours!

Look at the rainbow colours it made!

Chloe made some sea foam today using the blender to put in our tuff tray. We added all the ingredients into the blender then watched when she turned it on.

Wow look at the sea foam, we loved playing with our sea animals in it. It was really soft.

We also asked the children what colour we will make when we mix blue and red together. We found out it makes purple!

SCHOOL TUCK DAY FRIDAY 28 AUGUST

We are having a tuck day on Friday in support of Cancer Council Daffodil Day Appeal. We would love to see our students wearing something yellow and we ask that they bring a gold coin donation to donate to this appeal. We will also donate 50% of our profit from the sale of tuck day lunches.

HOT SHOTS TENNIS CARNIVAL

On Friday 21 August, our students from years 4-6 travelled to Renmark to participate in the Hot Shots Tennis Carnival. The weather was very cold and not ideal tennis weather but our students enjoyed the day.

STUDENT ATTENDANCE

Thank you to families who are keeping their children home if they are feeling unwell. If children are absent for 3 days in a row a medical certificate will be required. Please contact the school before 9.00am on 8583 2386 or our absentee line 0436 007 948.

SSO WEEK

Today in Welcome Circle we celebrated our fabulous SSO's. Our support staff work tirelessly to ensure children are given every opportunity to succeed. They support each child in our school and preschool and care a great deal about each child. Our team is essential to our school. Thank you to Mrs Gow, Mrs Jarvis, Mrs Wharton, Mrs Parkyn, Mrs Casey and Mr Garoufalidis.

NATURE PLAY INCURSION

In week 4 we organised for Nature Play SA to come to our school and work with all year groups. Our students had a fantastic morning using their creativity and having fun. This incursion allowed our students to have unstructured play whilst learning outdoors.

The upper primary students experimented using flowers, berries and clay to create natural paint. The preschool and lower primary experimented with clay and playing with nature.

The Berri Basketball Club do not discriminate against race, age, class, gender identity or sexual orientation and do not tolerate anyone who does within the stadium. We have a zero tolerance policy for any disrespectful behaviour towards volunteers or players. Please be kind and enjoy playing basketball the game we all love.

GLOSSOP PRIMARY COMMUNITY SCHOOL

PLAYGROUP RAINBOW DAY

Friday morning at 9:00-10:45

This Friday we are brightening up our day by investigating all things rainbow.

- Rainbow sensory rice play
- Rainbow pasta necklace
- Marble painting.

SHARE YOUR MEMORIES & PHOTOGRAPHS

Barmera, Monash and Glossop were all proclaimed as townships in 1921 and so are approaching their centenary year in 2021. To help them commemorate 100 years of history, the Berri Barmera Council seeks people with memories and stories (including photographs, movies, and other memorabilia) of living and growing up in the Barmera, Monash and Glossop districts. If you would like to share your memories, or if you know someone who has memories to share, please contact the Barmera Public Library.

Ph. 8588 2872

Berri Barmera COUNCIL

Email: barmeralibrary@bbc.sa.gov.au or visit the library at 4c Barwell Avenue in Barmera.
