Learner Dispositions

Persistent

I don't give up and I keep trying different strategies when I am faced with a challenge.

Independent

I take responsibility for my learning by being organised and managing myself.

Curious

I take an interest, ask questions and enquire

Reflective

I know what I am learning. I accept feedback and continuously evaluate and analyse my learning.

Risk Taking

I have the confidence to try new things.

Cooperative

We can work together as a team.

Hello families,

It has been a great 6 weeks and I cannot believe it is already over half way through Term 1. I have seen many positive choices made over the past week and all students should be congratulated in their learning efforts. We have had four new students start with us this week and I am excited to see our Glossop family grow bigger!

I would like to encourage reading at home for every child. Reading is important to build on our decoding (breaking the words into sounds), build vocabulary (the amount of words we know) and fluency. Reading helps us write and pronounce words. I encourage all parents and carers to read with their children daily, even if it is a short text.

I am excited to see our students participating in the smalls schools sports day on Friday and look forward to sharing the fun with all parents. This is a day for students, in particular the year 6/7's to network with other schools and create connections with students who will attend high school with them next year.

Starting next term our newly built garden beds will be used to engage students in agricultural based learning. The aim of this is for students to come into school and build their learning around the process of growing their own fruit and vegetables and then cook healthy meals with this produce. Watch this space!

I hope that everyone has a fantastic long weekend and enjoys family time.

Kind Regards

Luke Morrow
Principal

CoKoMoGlo Sports Day – Friday 5 March

The CoKoMoGlo Sports Day has a mixture of team and individual events and aims to build pride, teamwork, persistence and resilience in all our children. This year we are competing as individuals, however we are still expecting excellent sportsmanship traits, such as cheering and encouraging each other across schools – especially students that demonstrate the values of the day.

The main aim of the athletics events system is to achieve maximum child participation regardless of their sporting ability. Therefore, every child is given an opportunity to participate.

Parents are requested to encourage and cheer children from the spectator areas only. Please do not run with the children or mingle with children in their groups. It will greatly assist organisers and stewards if you would comply with this request. Please note that children are listed by the year in which they were born, as is done with all SAPSASA Sports.

Small schools sports day preparation is in full swing this week with Mr Papametis running lessons in the afternoon and teaching students the fundamental skills they will need for Friday.

Students have been doing really well and showing our school value of resilience, trying and learning new skills. All the students are excited for Friday. GO GLOSSOP!!

As orders for lunches have closed, if you have not ordered lunch for your child, they will need to bring their own lunch as there will not be any available to purchase on the day. The coffee caravan “Sassy Brews” will also be onsite on the day to provide hot drinks, cakes, slices etc..

SAPOL VISIT

On Wednesday 10 March we will have police officer Paul visiting classes, talking about 000 emergency in the Junior Primary and Bullying and violence in the Upper Primary. These sessions are very important for our school and we are very fortunate to have PC Paul talk to our students regarding these topics.

SCHOOL FEES/ACCOUNTS DUE

Thank you to the families that have paid for 2021 Materials & Services Charge. Mid-term statements will be sent home next week following the first round of School Card approvals. We ask that school fees and outstanding invoices are addressed as soon as possible. If you have any queries relating to school card or need to organise a payment agreement plan please speak to Melanie in the front office.

School News

Empowered learners. Individual growth.

We welcome two new families to our school community this week.

Donny had his first day in the preschool yesterday and made lots of new friends.

We also welcome Corey and Lilly to the year 6/7 class and Rosie to the year 2 class.

We are very happy to have you join our school community and we look forward to getting to know you and your families.

Our year 6 and 7 students received their new polo shirts this week. A special top for them to wear in their final year of primary school!

PLAYGROUP

Over the past two weeks playgroup families have been learning about vegetables and yummy yummy fruit salad. It is great to see so many parents enjoying a fun morning of craft and play with their children.

This Friday, playgroup will run as normal with the focus on sensory play, there will be shaving foam, play dough, painting, and orbeez. Come along and bring a change of clothes for your child. I look forward seeing everyone at 9:00am Friday.

SCHOOL NEWS

Empowered learners. Individual growth.

The Navigators have been working hard in their Literacy and Numeracy sessions. They enjoy collaborative learning and support each other.

We have welcomed Rosie into our class and she is making friends with all the students. She is a good role model to her younger peers and a good helper.

FROM THE LEADERS

This term the leaders are now in charge of running welcome circle.

This includes doing Acknowledgment of Country along with the morning greeting. In preparation for the small schools sports day this Friday, the leaders have been tasked with setting up the events along with supporting the younger students in refining their skills in each event.

The leaders will be coming around to each class fortnightly to conduct a class meeting.

BARMERA CENTENARY

1921 - 2021

Time-Capsule Historical Event: 4th April 2021

Barmera is celebrating its Centenary throughout 2021 by organising a wide variety of historical community events to mark the gazetting of the town on the 1st September in 1921. The Barmera Community Centenary Committee has been formed to coordinate and develop a community program of exciting events to celebrate Barmera's 100 year History in 2021.

A number of events, activities and projects are planned, such as a street party along Barmera's Barwell Avenue, featuring a band performing on the Bonney Theatre balcony and projections of historical scenes on the theatre's walls, a Centenary dinner and historical displays in the Barwell Avenue shop windows.

A Time-Capsule is planned to be interred, for 100 years, on April 4th 2021, as part of the street party celebrations in Barwell Avenue. Members of community, organisations and individuals are invited to contribute items to include in the capsule for future generations to experience historical artefacts and photographs from the Barmera Community in 2021.

The Barri Barmera Council supports this project and will bury the capsule in the centre of the main street on the 4th April 2021 as part of the street party celebrations which also includes a Twilight Market and a band playing on the Bonney Theatre Balcony; followed by a family film evening.

Scotty's Fabrication has donated the cost of the material and labour to make and supply the Capsule from stainless steel to withstand the rigours of time, to be interred in the main street of Barmera for 100 years. The capsule measurements are 122cm x 20 cm.

To enable the Time-Capsule Project to move forward for organisation and completion of the event in 2021, I wish to request your individual, family, business, community organisation, school or preschool prepares a contribution to fill the capsule. Any historical photos, artefacts and information from the present and past over the 100 years will provide an extensive historical collection to share with the Barmera Community 100 years from now. Your support of this initiative would be greatly appreciated.

Historical Contribution Suggestions

Historical artefacts to be provided in a large A4 or A3 envelope. Information re content recorded on front

Photographs	History of family	Drawings	Local information
Small objects/artefacts	History of organisation	Paintings	Books
