Happy Week 8!

I wanted to congratulate all of the families who have been proactive in making sure their child attends school. It is important to continue to send your child to school as much as possible. I am aware that at times there are family circumstances or sicknesses that can prevent this. However, as a whole school site, our attendance needs to improve in order to reflect such a fantastic bunch of students who when at school, are developing their English and Maths skills further every day.

A stand out for their attendance so far this year has been Antwon Abdulla. As a result of Antwon's increased attendance, we have seen his confidence grow in his student leader role this year and improvement in reading and writing. A fantastic job Antwon!

I would also like to say I am very proud of our students at the Cobdogla sports day. Our student's behaviour was exemplary and I loved the way they participated and supported each other throughout the entire day. Each child showed me a different side to who they are and highlighted that we have some real athletes amongst our student cohort. A big thanks to Mr Papametis for organising the day and to all staff and parents who assisted. A massive congratulations to Zoe Ward for her overall first place in her year group.

Our garden beds are being put into place and students will be preparing to plant our Winter vegetables from Term 2. This is very exciting and something which all classes are becoming involved in. Lesson are being centred around garden vocabulary and integrated learning is underway. Very exciting for staff and students!

As we settle into our cooler months please ensure your child is coming to school with pants and a jumper where required. If you do not have a jumper for your child please contact the school. Have a great weekend.

### COMMANDERS

For the last two weeks, students in the Commanders class have been working hard on identifying where they are in their learning and what their next steps are. Each student has worked with me to find a math, writing and reading goal. Students will have regular conferences with me to discuss their progress.

All students have their name on the goal wall next to their goal and their own goal book to track their progress and achievement. I am looking forward to seeing all students achieve success in their personal learning journey. Mrs Freer

### Preschool – Year 2 Gymnastics

The students are enjoying the excursions to the Berri Gymnastics Club where they join in with a range of different activities.

We are lucky to be given this opportunity as this is funded through our Sporting Schools Grant.

### SECOND HAND UNIFORMS

If anyone has any second hand uniforms that they would like to donate to the school, it would be greatly appreciated. Please hand into the front office or to Mrs Wharton. Thank you.

### FROM THE LEADERS
